

Certified lifting, rigging, and forged solutions for mission-critical defense applications

KITO®

Crosby®

GUNNEBO®
Industries

Your trusted, certified partner for specialized military solutions

We support defense forces and system integrators with certified, traceable, and mission-ready lifting and securement solutions—standard or fully customized. Whether it's lifting, rigging, or lashing systems, we serve as your fully integrated manufacturing partner. With a diverse product portfolio and renowned brands like Kito, Crosby, and Gunnebo Industries, we deliver reliable, end to end support across all defence and security domains.

Certification & Compliance:

- Registered manufacturer for the Defence Industry, holding more than 1000 NATO Stock Numbers (NSNs).
- Certified to DIN EN ISO 9001, DIN EN ISO 14001.
- Nato Cage Codes B1443 Crosby Europe, K6F29 Crosby Europe UK, 75535 The Crosby Group (USA), AS54N Gunnebo Industries.
- Over 1500 NSN and AMSAFE references.
- DUAL USE and Military Specified Products.
- Compliance with statutory labour rights and environmental standards.

Manufacturing Capabilities:

- Strong R&D and customization capabilities to create the bespoke solutions you need.
- Our products are designed and engineered in-house to the highest safety standards with full traceability and rigorous testing.
- Global manufacturing capabilities supported by a fully vertically integrated supply chain, with the majority of our manufacturing footprint located in our own facilities in the US and Europe.
- No use of conflict materials.
- Exceptional global support with decades of industry experience.

Lifecycle support & long-term availability:

- Continuous technical support, documentation, and training.
- Availability of spare parts and replacements over the long term.
- We develop our products to ensure continuous safety and regulatory compliance throughout their lifecycle.

Approved Lifting Systems for Dual Use

We are committed to delivering our partners the most comprehensive portfolio, offering both stand-ard dual use and customized solutions designed to meet specific needs.

Shackles & Hooks

Crosby G-209 Screw Pin Anchor Shackles

Crosby L-320 Eye Hooks

Lifting / Tie down points

Crosby HR-125 Swivel Hoist

Crosby S-279 UNC & Metric Eye Bolts

Swivels

Gunnebo Industries SKLI Swivels

Crosby S Type Thrust Bearing Swivels

Snatch blocks

Crosby McKissick 418 Snatch Block

Crosby McKissick 419 Snatch Block

Turnbuckles & Load Binders

Crosby HG-228 Jaw & Jaw

Crosby L-140 Load Binders

Featured Lifting Systems for Defence

Designed for defence-sector operations, our featured lifting systems deliver reliable, high-performance solutions that ensure safety, precision, and durability in mission-critical environments, with full customization options to meet specific operational requirements and align seamlessly with your mission needs and performance standards.

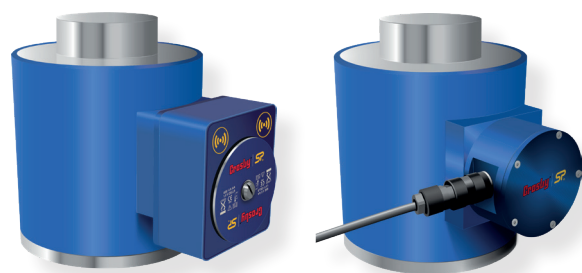

Kito Hoists

Precision-engineered manual, electric, and lever hoists trusted globally for safe, efficient heavy lifting.

Gunnebo Industries GrabiQ Chain Sling System

A highly versatile grade 10 chain sling system that integrates coupling, shortening, and lifting functions into one.

Crosby StraightPoint Compression Loadcells

Made from high-grade stainless steel for strength and corrosion resistance. Ideal for lifting, pile driving, and balance applications.

Customized Solutions for Defence Applications

We have a long history in the design and production of forgings for the Defence Market, essentially for:

- Shackles from 5t to 27,5t and various custom-made designs (dimensions and performance).
- Lifting & Tie down eyes.
- Specific forgings for various vehicles like levers, steering and suspension parts.

Shackles & Custom-Made Designs

Lifting & Tie Down Eyes

Customized Solutions for Defence Applications

In addition to lifting and tie-down products, we manufacture forged and machined components for military and tactical vehicles, supporting steering, suspension, towing, and air-transport requirements.

Automotive Forged Parts: Levers, Steering & Suspension

Bow approved for air transport

Towing eye

Return lever left and right

Hitch pin

Ball joint housing (left and right)

Lever for the steering of a truck

Suspension arm bushing

Customers References

Over the years, we have built strong partnerships with leading organizations across the global defense, security, and mobility sectors. Our solutions are trusted by major defense forces, advanced technology integrators, and manufacturers of tactical vehicles, armored platforms, and naval systems. We collaborate closely with both national armed forces and internationally recognized industrial groups to support mission-critical operations, enhance operational readiness, and drive long-term innovation. These longstanding customer relationships reflect our commitment to reliability, security, and performance in some of the world's most demanding environments.
